

École Morinville Public School

Quality Public Education in Morinville

Our School

Morinville Public School became the new public choice for education in the town of Morinville in the fall of 2011.

September 2019, the school adopted a new name, École Morinville Public School, to reflect being a dual track school of English and French Immersion programming. September 2019 also marked the date our large school of Kindergarten to Grade 9 students split into two schools.

École Morinville Public School offers specialized, exciting programs for students Pre-kindergarten to Grade 4. Our talented staff are dedicated to providing an exceptional education in a safe and caring environment. Our teachers engage students with the innovative Reggio Emilia approach to learning. Reggio Emilia develops a lifelong passion for learning and exploration through a child-centred philosophy, play – and project-based instruction, student-led curriculum and joyful classrooms. French Immersion is offered from Kindergarten to Grade 4.
